Actresses Paula Garcés, Bonnie Somerville and Meagan Good (left to right) don sexy confections and bat their smoldering cat eyes at the camera, dozing Ursula Andress-era Bond girl glamor. Colombian-born Garcés steams in this summer's raucous comedy *Harold & Kumar Go to White Castle*. Bonnie Somerville (memorable as Ross's girlfriend Mona on *Friends*) appeared as legal eagle temptress Rachel on *The O.C.* and will next star in the August big-screen yuk-fest *Without a Paddle*. And look for Meagan Good on Labor Day weekend in *The Cookout* with Queen Latifah and later as a school-girl spy in *D.E.B.S.*, which caused a stir at its Sundance premiere earlier this year.
